To Bob, Ruth, Sandi, and Theo,

I appreciate your

excellence in the replacement of my roof. It has been a pleasure from point of contact through the finished product. As a contractor myself, I know how difficult it can be to find quality help, and I want you to know - the workmen were very professional in their demeanor and skill. They should be applauded as well! Please accept this check as payment - in ~~and~~ full and thank you for a job well done. I will recommend B;S contractors for all of my clients roofing needs.

P.S. My neighbors say I have the nicest looking roof on the block!!

Best Regards,

Dong Macta
